WHAT DO THE GODS THINK

DID YOU KNOW YOU CAN INSTALL "VICIOUS MOCKERY" BY ITSELF?

Would you like to quickly blast your opponent with insults but don't want to launch **Dungeon Sounds** to do it? You can now install **"Vicious Mockery"** as a standalone skill! Just say **"Alexa, enable the skill Vicious Mockery!"** After that, you'll be able to launch the skill by saying **"Alexa, Vicious Mockery."**

INSTALL ALL OF THE SEXY HACKER SKILLS FOR THE BEST EXPERIENCE.

By having all our skills enabled, you can be listening to music within **Dungeon Sounds** while playing D&D and use **"Vicious Mockery"** or **"What Do The Gods Think"** without having to say **"STOP."** This allows the music to continue, keeping you immersed in the game, while the various sound effects play! In the future, we'll be adding more skills that trigger single sound effects to enhance your gameplay. If you have any suggestions or ideas, please let us know by emailing *support@sexyhackers.com.*
